

Starting October 22, 2022, three additional area codes will be introduced in Québec to meet the growing demand for communications services and numbers.

Existing numbers and local and long distance calling areas will not change.

Introduction of new area codes in Québec:

Montréal / 514 and 438 area

Area code **263** will be added

Surrounding area of Montréal / 450 and 579 area

Area code **354** will be added

Regions / 819 and 873 area

Area code **468** will be added
